# Double Seal for Extra Freshness

**Spill  
Resistance**

Designed exclusively to fit Camwear® polycarbonate CamSquares®, our new Seal Covers feature a dual inner and outer seal providing superior spill resistance. The tight fit reduces spills during transport, reducing waste and improving employee safety. Translucent material allows for product identification without removing the cover. This reduces handling, extends product freshness and enhances food safety. Polypropylene material is safe from -40°F to 160°F, making it ideal for use in coolers and freezers.

## Seal Covers

CODE	DESCRIPTION	CASE LBS. (CUBE)
SFC2SCPP	Fits 2 & 4 qt	1.16 (0.16)

## Camwear CamSquares

Maximize your storage space with CamSquare food storage containers. Square shape provides 33% better space usage than traditional round containers. Crystal clear virtually unbreakable Camwear polycarbonate provides product visibility. Easy to read external graduations allow for at a glance inventory management. Wide molded in handles on larger sizes ease carrying.

CODE	CAPACITY	CASE PACK	CASE LBS. (CUBE)
2SFSCW	2 qt.	6	3.34 (0.42)
4SFSCW	4 qt	6	5.28 (0.61)
