

# Seal in Freshness

- Dual Seal Provides Excellent Spill Resistance
- Extends Product Freshness
- Enhances Food Safety

**CAMBRO**  
TRUSTED FOR GENERATIONS™

# Double Seal for Extra Freshness

Designed exclusively to fit Camwear® polycarbonate CamSquares®, our new Seal Covers feature a dual inner and outer seal providing superior spill resistance. The tight fit reduces spills during transport, reducing waste and improving employee safety. Translucent material allows for product identification without removing the cover. This reduces handling, extends product freshness and enhances food safety. Polypropylene material is safe from -40°C to 70°C, making it ideal for use in coolers and freezers.

Thumb tab for easy removal

Features a hole for hanging during storage

Matching CamSquare container size imprinted on lid

**Spill Resistance**

Dual inner and outer seal provide excellent spill resistance

Translucent color allows for easy content identification

## Seal Covers

\*Seal Covers only fit Camwear Polycarbonate CamSquares

## Camwear Polycarbonate CamSquares

Maximize your storage space with CamSquare food storage containers. Square shape provides 33% better space usage than traditional round containers. Crystal clear virtually unbreakable Camwear polycarbonate provides product visibility. Easy to read external graduations allow for at a glance inventory management. Wide molded in handles on larger sizes ease carrying.

CODE	CAPACITY	CASE PACK	CASE KG (CUBE M³)
2SFSCW	1,9 L	6	1,52 (0,012)
